

JOIN THE ANTWERP ARMS EATN17 COMMUNITY CLUB

20.9.2020

Dear Friends

Many people enjoyed the Tuesday Community lunches we ran earlier this year and many enjoyed receiving a freshly cooked meal from The **Antwerp Arms Community Pub Volunteers Team**. Over the past four months, the team cooked and delivered twice-weekly meals to over 90 local families in need.

Now we are pleased to invite you to our **FREE COMMUNITY LUNCHESES for local people from 12.30 to 2.30pm every Tuesday from 1st September onwards**, as part of the **EATN17 Social Club**. The **EATN17 Club** project is funded by the **People's Health Trust**, for people in the **N17** area who may have been isolated and would like to venture out again for home cooked food and some distanced socialising.

Also as part of the **EATN17 Club** you can also join **The Antwerp Arms Edible Garden** sessions on **Tuesdays at 10.30am** run by **Sharing Earth**, a local community gardening group. If you attend the **Garden Club** you can then stay for the **Community Lunch** and **afternoon social activities**.

Both projects will ensure you can participate safely. All government COVID guidelines for keeping you safe will be followed at all times.

We are also looking for **Volunteers** to help on Tuesdays

TO REGISTER FOR A PLACE or **TO VOLUNTEER** call **075772297789**

We look forward to hearing from you!

All our best wishes

The Antwerp Arms Community Pub Volunteer Team
